Retention Call Center for Producer-sold Business

A specialized Retention Call Center designed to support producer-sold business is now available to your Blue Cross and Blue Shield of Oklahoma (BCBSOK) clients through open enrollment.

In an effort to help support our valuable producers, we developed a call center to assist renewing members. You remain the producer of record when your clients use this special retention call center. Be sure, however, that you complete the Centers for Medicare and Medicaid Services' Federally Facilitated Marketplace training and registration for plan year 2021 to receive credit for Marketplace policies.
